PARTS WITH ATTITUDE

The 2010 Tampa Bike Run was held on May 8, 2010. The Event kicked off early that morning in our Tampa location with the roaring of engines, kickstands clanking up and the smell of gas in the air as 18 bikes took off down Highway 301 to begin the 159 mile scenic drive through Lake Manatee State Park. Some riders went solo while others enjoyed the ride with their biker babes on the back!

Looking for a quick break from the road, the riders stopped for lunch and then ice cream. At the Blue Max Restaurant, riders received a commemorative t-shirt and participated in raffles that raised over \$200 for the USO! The grand prize winner received a TomTom Rider GPS!

Overall the event was a huge success and everyone is looking forward to the one this fall...stay tuned!
