

Our Little Haven Golf Tournament 2010

*September 27th & 28th
Sunset Country Club, St Louis, MO*

In late September, customers and Marconers came together for two days of great weather, good golf, and – most importantly – a wonderful cause – raising money for Our Little Haven – which is committed to providing a safe, secure and healing environment for children suffering from the tragedy of abuse and neglect. Our Little Haven's dedicated and compassionate community of caregivers makes the hurting stop, the healing begin, and the love last—one child at a time.

Our Little Haven supports a number of programs which benefit children who have suffered from abuse or neglect, including:

- Therapeutic preschool
- Residential treatment
- Psychological counseling
- Foster care case management

Marcone has been a long-time supporter of Our Little Haven, and the golf tournament was no exception. Out of the 9 competing teams, 4 won prizes within their division. Customers included Larry Jacobsen from Jacobsen Appliance, Todd Klucker and Mark Bradley from Marks Appliance, Don Helmreich from Downtown Appliance, and Stan Fauth from Fauth Appliance.

We were grateful to have the opportunity to contribute to the Our Little Haven mission, and to spend a day golfing together with our valued customers.
